

Seaplane Insurance

Global Aerospace has been underwriting insurance for seaplanes since the 1940's primarily in Canada where large numbers of seaplanes are operated. We are expanding on our unique perspective, experience and capabilities to make this insurance available in the United States.

Global Aerospace US Policyholders Can Expect:

- Seasonal aircraft configuration options
- Rapid quote response
- Support from our dedicated underwriting team who share a passion for aviation, many of whom are licensed pilots
- Prompt response from our seasoned claims staff in the event of an accident/incident
